Dear friends

The 15th « ARTS DU FEU » is "en route".

The last 14 years have been a great success, with wide media coverage, an enthusiastic public and sales of large pieces as well as small. We aim to offer the public a selection of creative and original work ideal for Christmas presents !

For the public there is craft demonstrations, a communal exhibition, collaboration with the top restaurants of Rennes for "Au Bol d'art", a game for the public "Fly me to the Moon", A selected personal exhibition in the Chapelle St Yves/tourist office.

As every year, the 4 day market will be in the "Place de la Mairie" in the pedestrian centre of Rennes. We welcome applications from makers of Ceramics, Glass, Mosaic and Metal,

In all 54 exhibitors. There are 5 places for jewellers who work with fire.

The criteria for selection is to create a lively, varied and original professional craft market made up of craftspeople from the local area, other regions and countries in Europe.

There are also 3 stands offered for "tremplin" craftsmen who are just setting up professionally, their candidature must be accompanied by a CV/letter. The "Ateliers d'Art de France" gives a prize of 1000 € for the most promising newcomer at the event.

The theme for this year's event will be "**Ceramics**" with workshops and demonstrations. These crafts will be given priority. If you have a proposition, please contact us.

We aim to maintain a convivial ambiance and to this end there will be an apéritif for the opening, a daily market newspaper, a communal meal and a constant supply of free coffee/tea.

We ask each exhibitor to make a one off piece to sell in our prestigious communal exhibition.

We look forward to you joining us, to make the 14<sup>th</sup> Art du Feu as enjoyable as the 14<sup>th</sup>.

Hope this fires you all up!

Regards
